Facility and Parking:

TNT’s facility has a clean indoor washroom and the facility is heated. The matted training area is 50 x 50. As space is limited indoors, crating in your vehicle is preferred. However, we will see how many crates we get inside!

The venue offers a decent parking, with plenty of area to walk dogs. Just keep in mind that people will have to park behind each other. Also we ask not to park on the kennel side (no parking on the right side of the kennel sign), so their customers can come in and out fluently.

We will offer a few snacks. Nevertheless, we recommend bringing your own food or we are close to restaurants as well!

We are looking forward to a great Trial!

Rally On!
